Farmers Market Advisory Committee Meeting

#### 1. Call to Order/Roll Call

<u>Policy Committee Members in Attendance</u>: Andy McLawhorn, Chair; Jean Spong, Vice-Chair; Patty Shegas; Wilbert Futrell.

Members Absent: Mary Hardy.

Staff in Attendance: LaRita Johnson, PJ Andrews, Hannah Smith

No additional vendors or members of the public were present.

#### 2. Approval of Previous Meeting Minutes (July 11, 2023)

<u>Previous Policy Committee minutes</u>- Wilbert Futrell made a motion to approve; Jean Spong seconded. McLawhorn, Futrell, Shegas - all in favor. Minutes approved.

#### 3. Public Comment

The chair opened the floor for public comment. Only one person had signed up and they were given the floor.

Patty Shegas made remarks concerning the market closing on Friday, September 22, and Saturday, September 23, 2023, due to Tropical Storm Ophelia. She felt it was unfair to the vendors and that they should have been notified earlier. The advisory committee should have been informed that staff were considering closing the market. Shegas stated that she and other vendors had prepped baked goods, picked produce, etc., that could then not be sold at the market. PJ Andrews clarified in response that the decision to close the market was based solely on the safety of both vendors and customers who attend the market. The advisory committee chair was contacted and consulted before the decision was made. Upper management in the county made the final decision, and staff worked to notify vendors as quickly as possible.

#### ADMINISTRATIVE MATTERS

#### 4. Market Schedule (Attachment 2)

#### -Remaining Fridays in 2023

PJ Andrews reviews the market schedule for 2023 and notes that only 3 Friday markets are remaining. Brings the board's attention to data collected by LaRita Johnson regarding vendor attendance on market days throughout 2023. Notes that total vendor numbers

have been significantly lower on Fridays than Saturdays. Staff advises that remaining open on Fridays in 2024 will be a topic for discussion at a future meeting.

Jean Spong asks for clarification on customer attendance for Friday markets (i.e. if there are 5 vendors present, how many customers will visit the market on Fridays?). LaRita states that numbers are fairly consistent if the Romeos are at the market but does not provide specific numbers or data for customer traffic on Fridays. She also suggests keeping the market open on Fridays through September. PJ Andrews clarifies that this is not a decision that will be made right away rather a conversation that will be had considering specific data collected over this past market season along with continued feedback from vendors and customers.

#### -January, February, March 2024

PJ Andrews announces that the market will be closed during January, February, and March so that extensive renovations and updates can be made to the facility. All equipment, vendor setups, refrigerators, freezers, etc., must be removed from the market at the end of December 2023. This is due to the type of work being done including insulation, cleaning, painting, door repairs, ADA compliance, new booth setups, etc. which cannot be completed successfully with the current state of the market.

Jean Spong comments that Bobby Yates is concerned with the idea of new table setups because he feels that his product will not show and/or sell as well without his elevated setups. She also asks whether Jean (at the front of the market) will be allowed to bring her card racks back into the market for display of product.

Booth space sizes will remain the same however, the tables, chairs and setups will be provided by the county to provide a more uniform, clean, and open space within the market. PJ Andrews clarifies that vendors will have options to work within the provided setup but that all current setups must be removed at the end of December 2023. Anyone who does not wish to remove their setup can speak with LaRita about having Buildings and Grounds remove it.

#### 5. 2024 Advisory Committee Meeting Dates (Attachment 3)

Chairman Andy McLawhorn shares that the Advisory Committee will continue to meet on the second Tuesday of each month. The respective dates are included in the agenda packet and read as follows:

1st Quarter Meeting - Tuesday, January 9, 2024

2<sup>nd</sup> Quarter Meeting - Tuesday, April 9, 2024

3<sup>rd</sup> Quarter Meeting - Tuesday, July 9, 2024

4th Quarter Meeting Tuesday, October 8, 2024

Chair also reminds staff to review committee member terms. PJ Andrews states that Andy McLawhorn and Mary Hardy's current term expires in May 2024 while all other committee members' terms are set until 2025.

#### 6. Farm Inspections

PJ Andrews shares that a good number (estimated 44%) of farm inspections have been completed. Staff are working to schedule and complete the remaining inspections before the end of the year. As several vendors have left the market for the season, the list of those needing to be visited will be reviewed. Jean Spong asks if documentation is required for vendors/growers leasing land to grow products for the market. PJ Andrews states that a process for that would make sense and align with the new policies and procedures for the market as adopted by the committee and approved by the Board of County Commissioners in June of 2023.

#### 7. Improvements to Farmers Market Facilities

Chair McLawhorn compliments the improvements already made to the market over the last two years and thanks the county and its staff for their hard work and efforts. PJ Andrews shares that upcoming improvements will include a top-to-bottom cleaning of the inside of the facility, painting of ADA compliant booth spaces, new tables, skirts, and chairs for vendor use. Staff is also considering the addition of signage for a "Kid's Corner", installing audio-visual setups to run ads for upcoming events and products available at the market.

The biggest improvement to the facility will be the repair and renovation of the roof using a treatment that will eliminate the need for insulation in the roof. This treatment is a multi-layer compound that will be applied to the outside of the roof after a thorough cleaning. The contract for that work has been approved and awaiting a start date from the selected contractor.

The parking lot repairs will be a more intensive project. The entire parking lot will have to be re-graded and a stormwater management measure installed according to city ordinance.

#### 8. Advertising/Marketing for Market Activities

Hannah Smith reports that the market Facebook page has seen a drop in engagement compared to previous months but the page is receiving new likes, followers, and messages which is a positive sign. Upcoming holiday events such as the pumpkin

decorating contest, holiday card contest, etc. will be posted on the Facebook page and County Website. No radio ads have been run since February of 2023. LaRita states that she is awaiting permission from county staff to schedule further radio ads.

#### 9. Manager's Report

LaRita Johnson shares that pumpkin decorating contest pre-orders have begun, orders will be accepted through October 18, 2023. She has already had a 50 pumpkin order picked up from the market. She will have tables setup at the market on October 21, 2023 for customers who want to decorate pumpkins onsite. Pumpkins not decorated onsite will be judged based on photographs submitted to LaRita via email. Submissions for judging are due October 26. Prizes will be awarded on October 27 and available for pickup by the winners on October 28.

Holiday card decorating will be for the senior center's Meals on Wheels program. LaRita will have tables set up at the market and available beginning November 4 through December 10. Anyone is welcome to decorate a card and leave a message. The goal is 300 cards in total to ensure that everyone at the senior center receives a card. Card materials will also be available for pickup at the market.

Farm's Holiday Magic Craft Fair is scheduled for December 9, 2023. LaRita asks if she is able to accept vendors at \$25 if space is available. Staff clarifies that for special events such as this, the managers may allow guest vendors for one-time only at \$25. Hannah Smith stresses the importance of communicating to anyone accepted under this policy that they are not considered a full vendor of the market and are only granted space for that event. If any are interested in becoming a full-time vendor, they will be required to complete the application process in January. Available space should be considered as a full booth space. Individuals should not be occupying the same booth spaces or placed in between current vendors.

Double bucks are available again while funding lasts.
